CAPABILITY STATEMENT · OKONKWO HOLDINGS LLC

Independent sales representative for suppliers to Texas public buyers

Veteran-owned · Texas VetHUB certified · Arlington, Texas · Commission-only, no inventory

WHAT WE DO

Okonkwo Holdings LLC represents manufacturers and suppliers to cities, counties, school districts and federal buyers in Texas, on commission, under a written representation agreement. The supplier is the vendor of record: it quotes, ships, invoices, warrants and is paid directly by the buyer. The buyer never pays us.

CORE CATEGORIES (REPRESENTED PRODUCTS)

- Janitorial, paper and floor care: cleaning chemicals, paper products, floor machines (NIGP 485, 365)
- Safety and first aid: PPE, first-aid supplies (NIGP 345)
- Office supplies and furniture (NIGP 615, 425)
- Hand tools and MRO supplies (NIGP 445)
- Small purchases and informal quotes: we bring the buyer a written supplier quote with specification sheets attached

HOW WE WORK

- Everything in writing: email, mail or fax. No cold calls. A complete audit trail for the buyer.
- Every price, spec, lead time and certification comes from the supplier's own document, attached or cited. We do not quote from memory and give no suitability or compliance advice.
- Commission is paid only by the supplier and is disclosed on Texas Ethics Commission Form 1295 wherever that form is required.
- Strict procurement ethics: no gifts or anything of value to public employees; no contact during solicitation blackout periods.
- Scope: local governments, school districts and federal buyers. We do not solicit Texas state agencies or state universities.

DIFFERENTIATORS

- Veteran-owned (U.S. Army) and Texas VetHUB certified, supporting HUB and small-business participation goals
- Locally based in Tarrant County, serving Dallas-Fort Worth agencies and districts
- Professional liability (errors and omissions) insurance: $1,000,000
- Focus on the small, quote-based orders larger vendors often skip

PAST PERFORMANCE

References available as contracts are completed. Supplier references available on request.
